Welcome to the 1995 Miss Shelton State Pageant

The Miss Shelton State Pageant is a preliminary Miss America Pageant, which means tonight's winner will represent Shelton State in the Miss Alabama Pageant in June. By entering this pageant, young women have the opportunity to receive part of the \$10,000,000 that is available annually at the local, state and national Miss America Pageants.

A pageant does not just happen; it is organization, execution and production by a team of women and men giving of their time and talents to pull it all together.

Directing this pageant has been an unique experience and very rewarding to me, and I would like to thank the many people who have helped make it possible. To the many merchants, businesses, and patrons who have made such generous donations to this year's pageant, I send grateful thanks, a very special thank you to the administration, faculty and staff for all their support, guidance and contributions. And to the executive committee for all their time, talents, patience, and hard work, I give my love and deepest appreciation.

Finally, I would like to thank each of you for attending tonight's pageant. All of the contestants have worked hard to prepare, and we are very proud of them. Please sit back, relax and enjoy the evening.

Sincerely,

*Elisabeth Smelley, Director
